(sve cene u jelovniku su bez uračunatog kuvera  
/ all menu prices do not include a cover charge)

## KOPA- ONIK

Pravi primer nacionalnog blaga.  
Ovde možete naći istorijske  
spomenike koji datiraju još iz  
poznatoantičkog doba, rudno  
bogatstvo, jedinstvenu floru i  
faunu, najviši vodopad u  
zemlji, dobro skijanje i  
najbolju hranu koju Srbija  
daje. Uživajte!

## KOLIBA

Na šta vas podseća reč  
„Koliba“,  
osim kada sa promrzlinama  
planinske beline uđete u toplinu  
jedne kolibe i smestite se pored  
pucketavog kamina i prepustite  
se, uz neki topli napitak koji će  
otkraviti i opustiti vaše telo, a  
onda nastupa glad, a zatim  
i mi „Prijatno želim, uživajte“!

### HLADNA PREDJELA / COLD APPETIZERS

\*Stekove serviramo sečeno na taljatu / Steaks are served sliced on tagliata

# SAČ

## HOW ITS PREPARED

**A BRICK OVEN:** the birth place of the most wonderful smells from the grandma's kitchen. Hot bread, cheese pie, festive bread, cornbread...

**SPIT:** the way to prepare the best roasted meat. A crispy crust and soft meat, slow roasted above the fire for hours, according to the recipe of the best Serbian householders.

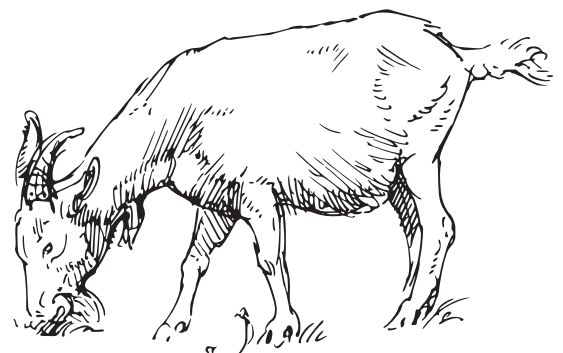

**BELL:** a clay or metal lid, covered by embers and tucked away in the hearth of the oven, under which the finest pieces of meat, potato, or bread are slowly cooked for pure gastronomical pleasure.

# PIVO

Pivo je najstariji zapisani recept na svetu! Drevni Egipćani su prvi opisali i zapisali proces destilovanja na papirusu oko 5000 godina pre nove ere. Ova prva piva su pravljeni sa urmama, narom i drugim autohtonim biljkama i po današnjim standardima bila bi, verovatno vrlo jaka.

Vremenom je pivo pronašlo svoj put od Bliskog istoka, preko Mediterana do Evrope, gde je postalo sastavni deo naših života. Pivo je bilo cenjeno zbog svoje nutritivne vrednosti, ali i kao sigurna alternativa pijaćoj vodi. Današnje pivo nastalo je tokom ranog srednjeg veka.
